OLD FORGE.

An entertainment will be held in the Brick church on Wednesday evening, April 3. All are cordially invited to attend. Mrs. Samuel Broadhead has so far recovered from her recent illness as to be able to sit up the greater part of the time. R. W. Howard is able to be around after his recent illness. Mrs. T. J. Stewart and Miss Kit Stark attended the Misses-Gernon wedding on Wednesday.

NEWS OF THIS VICINITY MONTROSE.

G. W. Baker intends spending the Sabbath at Binghamton. Mr. and Mrs. Searle McCollum (nee Lusk) have returned from Florida and will spend the remainder of their honeymoon in Arizona. The Sons of Veterans, Captain Beard-sley post, held an entertainment in honor of Lincoln's birthday on Friday night. Four Brothers' post, Grand Army of the Republic, were invited, as well as many of the prominent citizens of Montrose.

A menace to pedestrians and a disgrace to a civilized community exists in front of a jewelry store on Church street. Several people have narrowly escaped severe falls from the strip of wood firmly fastened to the sidewalk, and it is high time that the useless and dangerous impediment should be removed. Where are the town officers? Blind or sleeping?

Butter realizes 15 to 20 cents; eggs, 12 cents per dozen; milk (received from creameries), 1 1/2 cents per quart.

The little members of the Junior Sewing society of St. Paul's Episcopal church have during the Lenten season met regularly, and their work has been phenomenal. To see their happy faces going and coming from these Monday afternoon meetings is good evidence of their willingness to work and the pleasure it gives them.

The Lenten services at St. Paul's have never before been so largely attended.

The Rev. E. A. Warriner will preach the baccalaureate sermon to the graduating class of the Montrose high school in June.

James R. Beardsley has returned from Scranton, where he has been spending a few days.

R. J. Manning, of Susquehanna, was in Montrose this week attending to legal affairs.

H. W. Bardwell, of Tunkhannock, is registered at the Turbell house.

The fact that Montrose will very soon have a complete telephone system is almost assured. The applicants for a charter are A. Lathrop, W. W. Reynolds, Dr. J. E. Butterfield, D. V. Gardner and J. E. Whiting. As soon as the charter is obtained immediate steps will be taken to erect and equip a thorough town service. The capital stock of the company is \$1,000, of which 10 per cent. has been paid in. There are 200 shares at a par value of \$500 each. It is the idea of the company to have it a co-operative body and the stock is mostly taken in small blocks by the business men here. W. W. Reynolds stated to a Tribune correspondent that as soon as Montrose had its telephones in working order efforts would be made to connect Heart Lake, Forest Lake, South Montrose, Rush, Fairdale and Birchardville.

Mrs. George Watrous, who has been confined to her house for several weeks, is now convalescent.

Mrs. Henry Turrell, of Lake avenue, is suffering from an attack of grip.

The County association, Patrons of Industry, met at Rush and elected Thomas Sheridan, president; A. J. Terry, vice-president; F. M. Gray, secretary, and William Hubbard, treasurer. There is a great deal of contention among the members of this organization in Susquehanna county, and many stores which they could run are kept closed.

The snow which fell Thursday drifted so in certain sections that both sleighing and wheeling were almost impossible. The warmer weather on Friday reduced the drifts considerably. One drift on the Lackawanna and Montrose railway is higher than the top of the passenger coaches.

Grand Jury Returns.

The grand jury which began its work March 25 was dissolved Thursday, March 25, after disposing of thirty-one cases, twenty-one being true bills and ten no cause for action. In several instances such trivial offenses were committed that the jury caused the complainant to pay costs. John Fitzpatrick, the Forest City fiend, who is charged with assaulting a little girl, will linger longer in the county jail, as the witnesses necessary to appear were not here. He will await the action of the next grand jury and will not be tried until the August term of court. Aside from those already given in the Tribune other indictments are as follows:

W. H. Driscoll ate, drank and was merry, but did not pay C. Stringham, of Susquehanna, who charged him with defrauding him of his board bill. He pleaded guilty.

Humphrey M. Lynch signed a note in a fraudulent manner, so J. M. Kelly thought, and the grand jury agreed with him.

Burton White, of Montrose, accused by an Angel, Mary by name, of various deviations, including the seventh commandment, will be tried.

John Schwick tried to defraud a butcher of Forest City--Max Heller, but Max had him indicted.

Jasper F. W. Hawes embezzled \$112.77 and is sorry he did it. F. D. La Larne & Co., were the sufferers and C. H. Stockley for them entered the complaint.

Frank Thomas, charge of illegal liquor selling.

Township of Clifford, supervisors, charge of not repairing road.

Township of Rush, supervisors, charge of not repairing roads.

Jerdon Blair, of Montrose, is also indicted on two charges, one instigated by P. Rafferty for carrying deadly weapons; the other by John Ramer for keeping a gambling house.

ARCHBAULD.

Word was received here on Thursday evening that George Paurea, of this place, and a friend from Carbondale, were killed in New York city. The message containing the startling announcement was received by Henry Reeves, whose name was on a receipt found in Paurea's pocket. The message gave no particulars as to the manner in which the men were killed, but merely stated that they were dead and asked Mr. Reeves if he knew them. Mr. Reeves notified Paurea's relatives and several of them went to New York yesterday after his body. They are expected home this evening. Mr. Paurea, who was familiarly known as George Paurea, was one of the best-known Italians in this vicinity. He was married in Italy about 45 years old and had lived here about four years. For the

Spring Cleaning

Is such a trial that men say "Let the house take care of itself." But the conscientious wife feels bound to do it. She is altogether too liable to let her bodily house, most important of all, "take care of itself." The consequence of her feverish anxiety over extra work is depletion of the blood, the source of all life and strength, manifested in that weak, tired, nervous condition too prevalent at this season and very dangerous if allowed to continue. What every man and woman needs in the Spring is Hood's Sarsaparilla. It keeps the blood vitalized and enriched, and thus sustains the nerves and holds all the bodily functions in strength and regular action. With its help you will not feel that intense exhaustion, and your natural fatigue at the close of the day will give way to fresh activity in the morning. Therefore we say, besides cleaning your house, be sure to take Hood's Sarsaparilla to

Cleanse Your Blood

With Hood's We'll Conquer Makes the Weak Strong "Now that house cleaning is upon us, I know that with Hood's Sarsaparilla to help, we'll pass through that trial all right." MRS. HELEN HISCARD, Tully, New York. "I take Hood's Sarsaparilla every spring, and it is the only medicine I use through the year. It enables me to do my house cleaning and farm work all through the summer. It helped me very much for palpitation of the heart. I think Hood's Sarsaparilla is the medicine for everyone, and all who take it will never be without it. I have also used Hood's Pills and they are the best I ever tried." MRS. F. H. ANDREWS, South Woodstock, Conn. "Last spring I had to give up work, being unable to walk to my place of employment, a distance of only half a mile. I suffered almost incessantly from sick headache. I had racking pains all over my body. The least exertion would tire me out. Going up one flight of stairs would make my heart beat at a terrible rate. I was induced to take Hood's Sarsaparilla, and now, after taking less than two bottles, the pains and aches have all left me. I have only had a slight headache once since. Hood's Sarsaparilla gave me a good appetite, and I can now do a hard day's work." MISS ELIZB JENKINS, Queensbury, New York.

Hood's Sarsaparilla

"My nerves were in such a condition the closing of a door was sufficient to throw me into a spell of trembling which would last for hours. This was after a severe attack of the grip, which shattered my health. I could not sleep, my food distressed me, and I had darting pains through my shoulders and back. At the suggestion of a friend I tried Hood's Sarsaparilla. After taking one bottle, my food no longer distressed me, and my nerves were quieted. Have taken three bottles and I am cured. The asthma trouble, from which I had not been free for years, has entirely disappeared. Hood's Sarsaparilla has done wonders for me, and I am glad to recommend it highly." MRS. LUCINDA RUSSELL, North Dartmouth, Massachusetts. "My health has been poor for a good many years before I began to take Hood's Sarsaparilla. Finally I decided to take Hood's and can honestly say that it has done me more good than any all other treatments. I was troubled with dyspepsia, food distressed me, and I had but little appetite, was weak and nervous. In fact my trouble bordered on nervous prostration, from which I had previously suffered. I took Hood's Sarsaparilla last summer and it did me ever so much good. It does not seem as though I am the same person. My appetite is greatly improved, I am less nervous, have more strength and I can eat heartily without distress. Such a condition was unknown to me before taking Hood's Sarsaparilla." MRS. G. C. CLAY, Barre, Vt.

ELMHURST.

At a regular adjourned meeting of the First Independent Baptist church of Elmhurst, Pa., Hugo Burmeister and Harry Evans were elected trustees for one year, and U. O. Swartz elected trustee for two years. A lease for Burmeister's hall was considered, and trustees directed to sign the same. After prayerful consideration it was unanimously decided to retain their present pastor, Rev. Frank Matteson, for the coming year. Rev. F. A.
